Aequor	UEI# YJ2LPVHVBBG5	Cage Code: 5NY90
---------------	--------------------------	-------------------------

Aequor is a biotech company whose solutions benefit health and the environment, while boosting profits of most agro-industrial processes. Our innovative solutions contribute to safer, cleaner, and more sustainable products for consumers, industry, and health. Aequor brings non-toxic, eco-friendly, sustainable, and green natural solutions. The dispersants, surfactants, soaps, and cleaning agents make current products work better. The new antimicrobial biocides (in development) effectively also prevent biofilm formation and remove existing biofilm rapidly. Both improve the product's performance and reduce the toxic load on ecosystems in our homes and bodies.
